

Take It Down

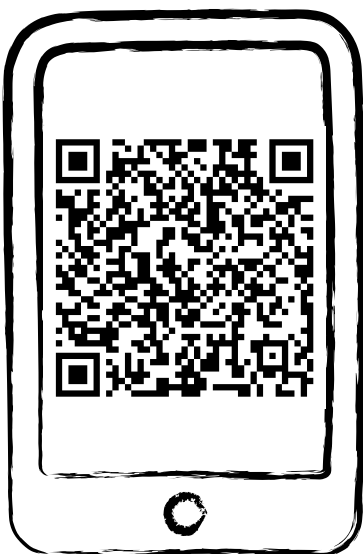

Preventing the spread of your nude

You might find yourself in a situation where your nude image has been shared online or someone threatens to share a nude or sexual image of you. This can happen to anyone, and it can be really scary. It is important, that you get help in this situation.

Take It Down is a free service that can help you remove or stop the online sharing of nude or sexually explicit images or videos taken of you when you were under 18 years old. You can remain anonymous while using the service and you won't have to send your images or videos to anyone.

The Finnish hotline offers information and support!
